<i>When we are working in the garden we need to make sure our hands are always washed well afterwards and clean – are your hands clean?</i>				
	05	INSPECTION: Clean hands		
<i>The Hanging Gardens of Babylon were wonderful gardens built on the side of a building! The gardeners had to make sure they were familiar with all their surroundings ...</i>				
	10	WIDE GAME: Scavenger Hunt. As per attached list	List, pencils	
<i>King Nebuchadnezzar built the gardens for his lovely wife - she was from the mountains and missed her home very much after they got married – before any plants could be planted, they needed to make sure there were no harmful bugs ...</i>				
	20	ACTIVITY: Pooter Make a pooter and then go out to catch some bugs <i>Awareness Challenge - Our Precious Planet.</i> <i>Silver Wolf requirement - <u>Make a pooter to examine insects</u></i>	As per instructions on attachment	
<i>Now that the gardeners know where to plant the plants, maybe we can help them out with some wheelbarrows?</i>				
	10	TEAM GAME: Wheelbarrow Race Cubs to line up in size order - tallest to shortest. Get them into pairs - Cub one and two are the wheelbarrow (1) and the pusher (2). They need to get to a designated spot and back again - they need to swap over and do the race again. First pair back after each Cub has had a turn to be the wheelbarrow, wins.	None

<i>They needed to plant seeds as well ...</i>				
	10	RELAY GAME: Plant the Seeds In Sixes, the Cubs need to line up and, one at a time, run to the seeds, pick up just one seed, 'plant' it in the tray, run back to your Six and the next Cub goes. Each seed needs to be in a separate 'hole' - once all the holes are full, the Six needs to sit quietly.	Popcorn (or similar), empty egg tray	
<i>We sometimes get some frogs in our garden -they are good for our garden because they keep insects out that are bad for the plants - they can be noisy though!</i>				
	10	CIRCLE GAME: Chase the frogs! Pack in a circle. They are spaced well apart and bend over. Two Cubs are outside, one chasing the other. When the chased Cub is tired they leap over the back of another Cub in the circle, who then becomes the chased.	None	
<i>Sometimes when the queen was sitting in the garden, she would run her hands through the sand – and guess what she found?</i>				
	10	KIMS GAME: touch (in sand). Place up to 15 different items in a container filled with sand or similar. One container per Six – cover the container with a cloth or similar. One at a time the Cubs will come up and are told what they need to find in the container. They need to place their hands under the cloth and feel around in the container until they think they have found the requested article. After the first Cub has had a turn, the next lot will try their luck. Continue until all the items have been identified even if the Cubs go more than once. <i>Awareness Challenge – Healthy Mind. Silver and Gold Wolf requirement - <u>Play sense training games using all five senses and achieve a 70% score.</u> (Game played using sense of touch).</i>	15 items, containers of sand, cloth	
<i>The Hanging Gardens were awesome – want to find out more about the Seven Wonders of the Ancient World? See you next week ...</i>
